

Rediscover Balance at The Five Residences, Where the Elements Align

Welcome to the capital of Vietnam, Hanoi – a city where history lives on in its age-old architecture, pavement cafes, and wide tree-lined boulevards, where traditional Vietnamese culture remains integral to modern life, where the delightful scent of Vietnamese coffee, pho, and Bahn mi is the reminiscence of the bygone days. Despite being one of Asia’s fastest-growing cities, Hanoi has not fallen victim to styles that seek to paint the world in one ubiquitous colour. Hanoi is far from monochromatic – it isn’t only a dynamic metropolis in its own right, but also an exciting place to experience authentic Vietnamese culture, to live, work, play, and eat like a local.

Located on Doi Can Street, The Five Residences is a sanctuary for rest and revitalisation amidst the hustle and bustle of the big city, a home-away-from-home where guests can discover unexpected tranquillity, sense of balance and the new definition of living. Taking inspiration from the much-loved Five Elements Mountains of Central Vietnam, The Five Residences incorporate the five elements of nature – earth, fire, wood, metal, and water - into its beautifully appointed rooms and suites, all of which are tastefully designed for the discerning travellers, whether travelling alone, as a couple or with a family. Ideal for those who appreciate both functionality and privacy, each of our 116 rooms and suites features a fully-furnished separate living room, dining area, kitchen and bedroom area. All units offer a modern and fully-equipped kitchen, a 2-in-1 washer and dryer, electronic in-room safe, smart TV with a variety of international channels, high-speed internet connectivity, contemporary bathroom, and private balconies.

Discover the brilliant balance of Vietnamese cuisine with a focus on seasonal local ingredients at NAM, a neo-Asian style restaurant serving authentic, delicious dishes in new and exciting ways that will surely leave your taste buds craving for more. With its elegant interiors, NAM is a great space to unwind with family and friends or to host colleagues and clients for a business reunion.

Guided by the qualities of silk and personalised to suit individual needs, the treatments at MAAI spa promise to take you on a transformative journey of the senses to bring balance to mind, body and soul. Need to keep fit? Take advantage of our fully-equipped fitness centre, or take a plunge in the swimming pool to kickstart the day or cool down in the evening. However you decide to spend your time, our services and facilities are designed to help you find a true balance between your mind and body that enables you to get the most out of life every day.

There is such a kaleidoscope of things to see and do in and around Hanoi. Whether it is exploring quiet laneways or taking your loved ones out for some family fun, you are sure to find activities and entertainment for everyone. Indulge in some retail therapy at the mega malls, or take a stroll through the picturesque Old Quarter, West Lake, and Silk Village, where you will find some of Hanoi’s famous street food. If you have an artistic streak and would like to try your hand at Vietnamese arts and crafts, there's plenty to discover at Hanoi’s Pottery Village and art galleries. Those who love the great outdoors will find plenty of activities like hiking, cycling, and cave exploration as well – why not take a short trip to step onto tropical beaches and dive into the crystal-clear waters of the South China Sea?

With its prime location on Doi Can Street, The Five Residences enjoys a great view of the west lake and Hanoi's fantastic skyline. It's a calm and tranquil section of the city, yet central to the hustle and bustle of local businesses. Essential services ranging from banks, post offices to convenient stores are located only a short walk away. The enviable location makes the Five Residences an ideal address to relax and unwind, with all that Hanoi has to offer just a short distance away.
