

Brighten Your World and Rediscover Pattaya In a New Light

A vibrant beachtown located 90-minutes east of Bangkok, Pattaya is full of family-friendly attractions, golf courses, museums and relaxing beaches to visit. Located on the northern end of Pattaya Bay, a short walk from the new Terminal 21 shopping mall, Amari Pattaya reopens after a spectacular transformation, ready to welcome leisure and business travellers alike.

Amari Pattaya offers visitors a choice between two distinct wings - the all-new Amari Suites, perfect for family gatherings, and a fully-rejuvenated Amari Tower. Stepping past the resort's main lobby in the tower, guests will also find the signature Amaya Food Gallery, enjoy refreshing treatments at Breeze Spa and maintain a healthy workout routine at the 24-hour fitness centre. Ranging from Deluxe Rooms to Executive Club Ocean View Suites, there are 297 stylishly refurbished rooms and suites.

Entry level rooms at Amari Tower are among the most spacious in the immediate area, with 49 squares metres of personal space, oversized baths with separate showers, double vanities and a balcony. The unique interiors feature panels with subtle orchid motifs and local textile accents, offering a contemporary Thai vibe to complement the resort's garden setting and beachfront location. For a special beachside getaway with beautiful ocean views from dawn to dusk, guests can enjoy tranquility at the Executive Club Lounge on the 19th floor, with private check-in, exclusive breakfast buffets and evening cocktails and canapes from 17:30 to 19:30 daily.

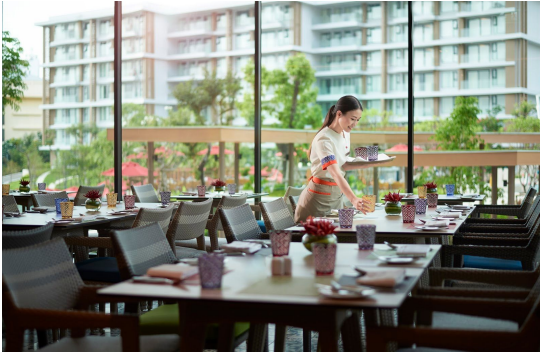

Tucked away in a dedicated low-rise building surrounded by lush landscaping, Amari Suites is comprised of 49 two and three bedroom residential style suites, with contemporary designs based on vintage architectural features from traditional Thai homes, all with ocean views. A select number of ground floor suites also offer guests direct access to the resort's pool and gardens. Guests are welcomed with complimentary valet parking and a private buggy ride to the Amari Suites lobby for a private check-in.

Especially ideal for families with young kids, Amari Pattaya welcomes the little ones with their own check-in desk and vacation surprises from a gumball machine. Children are encouraged to join the resort's specially curated daily activities programme with resident mascots, Sky and Rose, endless hours of fun at the supervised

outdoor water slides and adjoining Treehouse Kids' Club, and even a treatment room just for kids at Breeze Spa.

Dining options at Amari Pattaya includes Amaya Food Gallery, a dining experience inspired by the local food markets of Asia with its open-air cooking stations and friendly chefs preparing regional and international culinary highlights, as well as a collection of signature Thai favourites. Breakfasts are when Amaya truly comes to life, with an extensive market-style spread complimented by a kids-only breakfast section supervised by members from the resort's animation team. Later, whilst the little ones are having fun at the water park, the poolside Aqua Eatery & Bar is perfect for enjoying a relaxing meal or cocktail while keeping an eye on their activities.

Recently unveiled in the centre of all the excitement is the all-new outdoor free-form swimming pool with a treehouse themed slide and aqua park, the largest gardens of any resort in the immediate area, as well as a brand-new state-of-the-art pillar free ballroom for up to 700 guests. These enhancements make Amari Pattaya the perfect base for a wide range of travel needs - from multi-generational family getaways to corporate meetings and leisure escapes.

With over 40 years of experience hosting large-scale events, Amari Pattaya is the perfect venue for conferences, weddings, celebrations and gatherings. Whether it is an indoor event or a beachfront reunion, a corporate conference or a board meeting, Amari Pattaya has it all covered with a wide range of indoor meeting rooms, a Grand Ballroom accommodating up to 700 guests and the extensive Beach Lawn.

Wellness has never been so simple and refreshing - the signature Breeze Spa offers a number of spa treatments for the skin, sore muscles and cluttered minds to feel at ease and leave with a little more bounce in their step. Home to the Pattaya Refreshing Package, a signature treatment exclusive to Amari Pattaya which starts with a jasmine and mint body scrub that naturally moistures and soothes the skin, followed by a Thai aromatic massage to relieve strained muscles, and an uplifting crystal clear facial treatment with jade and rose quartz to freshen and rejuvenate.
