

EXPERIENCE AMARI WATERGATE BANGKOK

Bangkok is a city steeped in wonderful history and unique neighbourhoods to discover. This growing metropolis is also known as the "Venice of the East" for its intricate canal systems created to support the city's commerce and transportation dating back to its foundation. This network of canals still plays an equally important role today and the area known as the Pratunam or in English, Watergate, and home to the Amari Watergate Bangkok, is part of this important system in the middle of one of the city's most bustling commercial districts.

Entering the hotel, guests will be greeted by the sleek lobby awash with warm earth tones, at its heart is the stream of lights cascading from the lighting sculpture featuring 847 pieces of hand-crafted Murano glass signifying the hotel's street address 847 Petchburi Road. The installation is reminiscent of falling rain and titled "Water of Life", inspired by the hotel's location and the significance water is to this city and to Thai culture.

Ideal for both business and leisure travellers, Amari Watergate Bangkok offers 569 rooms ranging from deluxe rooms to the presidential suite, all with panoramic views of the city skyline. For an extra touch of comfort, guests staying in the executive rooms, executive suites or presidential suite will enjoy the benefits of a dedicated executive lounge offering a private reception for easy check-in and check-out, exclusive breakfast area and a roof terrace offering breathtaking city views.

A journey to Bangkok is not complete without sampling the vibrant cuisines the city has to offer, and taking street foods to new heights is Amaya Food Gallery. The menu at this all-day dining restaurant takes its inspiration from the street food of Asia, complemented by a separate Italian section. With show kitchens dedicated to specialties from Thailand, Southeast Asia, India and Italy, Amaya Food Gallery invites diners to share and savour the diverse flavours in a fun street market setting. For those with a sweet tooth, the dessert kitchen offers the largest selection of shaved ice treats in town. These Ice Kachangs come in 40 varieties including pandan vermicelli, mock pomegranate seed, ginkgo nut, and lotus roots as highlights, along with toppings of multiple flavours, a rotating selection of traditional Thai treats, seasonal fruits, and an international selection of cakes. The food and sweets are complemented by a collection of inspired cocktails at Amaya Bar.

For light bites and casual gatherings, Cascade offers a casual atmosphere for a morning coffee or an afternoon pick-me-up. Enjoy smooth tunes and the laid-back street-side cafe atmosphere while snacking upon a variety of baked goods, deli items and other delicious appetisers.

Bringing people together to enjoy unforgettable moments is one of the hallmarks of Amari Watergate Bangkok. Enjoy a day of shopping with family and explore the myriad of souvenir boutiques and shopping malls surrounding the hotel. Or spend an evening out on the town with friends and venture out to nearby Silom or Thonglor and discover the thriving nightlife scene.

Guests with energy to burn can also visit the FIT Centre on the eighth floor, a professional facility offering extensive exercise equipment and fitness programmes; or take a dip in the pool and lounge away whilst enjoying a drink from the Pool Bar serving refreshing drinks, juices, smoothies and snacks. Or put the “happy” back in “happy hour” by stopping at the Pool Bar between 17:30 and 19:00 to chat with friends or to make new ones.

Also located on the eighth floor is the Breeze Spa with smart and fun treatments focusing on boosting energy especially after a day out exploring the city.
