

## EXPERIENCE AMARI YANGSHUO

Situated in Yangshuo, Guilin, one of the fastest growing destinations in China, Amari Yangshuo is the very first Amari hotel in China. Located in the centre of West Street, the hotel offers direct views of the waterfront, the iconic love bridge and the karst peaks all around, and is 40 minutes from the Yangshuo High Speed Railway Station and 1.5 hours from Guilin Liangjiang Airport. Standing within the Yitian West Street development and surrounded by retail stores built using the traditional North Guilin architectural style, this uniquely designed hotel offers travellers a modern Asian hospitality experience at the most beautiful location in Guilin.

The hotel features 73 guestrooms, comprising Superior and Deluxe Rooms, Grand Deluxe, Duplex and Executive Suites – ideal for individual travellers, couples, friends, and even families. All rooms are meticulously designed with a modern Oriental touch, offering guests the perfect blend of space, comfort and warmth. Most of the guestrooms also feature balconies with splendid views of the West Street, waterfront or mountains.

Amari Yangshuo offers two dining options. **Amaya Food Gallery**, Amari's signature all-day dining restaurant, is located on the second floor, and features an array of Thai and international cuisine prepared in an interactive open kitchen. The restaurant takes its inspiration from Asia's well-loved street food markets, and is designed using rich colours and vibrant textures. Open from 06:30 to 22:00, guests can enjoy watching the chefs prepare breakfast, lunch and dinner live, and embark on an amazing savoury journey. For deli items and beverages, a cocktail or a glass of wine, the street-level **Cascade** is definitely the place to go.

To stay in shape while travelling, guests can visit the well-equipped **FIT Centre** for a good workout, or rejuvenate at **Breeze Spa**. Exclusive to Amari hotel and resort locations, Breeze Spa offers a range of body and facial treatments, as well as signature mood treatments, all aimed at putting the fun back to feeling good. For guests looking for a quiet place to relax or read, or to get some work done, the **Voyager Lounge** is equipped with work desks, lounge seating and a small executive meeting room.

As the ancient Chinese saying goes, "The landscape of Guilin is the most beautiful in the world, and the landscape of Yangshuo is the most beautiful in Guilin." Yangshuo offers an abundance of magnificent natural scenery which should not be missed– from the world famous Li River, which can be seen in many traditional Chinese paintings, to Moon Hill, Yulong River and the Assembly Dragon Cave. Guests can plan their visit in advance using Destination Amari to find out where to EAT, where to GO, and what to DO, or connect with the Amari Hosts who are on hand to guide guests by answering any questions and offering insider tips on the best

ways to uncover Yangshuo.
